- Summary: A text editor that runs in the browser and meets the progressive web application (PWA) criteria
- Tools: HTML, CSS, JavaScript, IndexedDB, Webpack

EXPERIENCE

Business Analyst

2022-2023

Dewey's Bakery

Winston-Salem, NC

- Led research to uncover which SKUs were most profitable historically.
- Generated daily inventory and shipping reports using Sage and Excel to keep operations and sales teams informed in their decision-making processes.

Assistant Media Planner
Mediahub Worldwide

2021-2022
Winston-Salem, NC

- Maintained media plans for client roster including budgeting, executing, reporting, optimization, and invoice oversight.
- Led the way for planning, including creating RFPs, flowcharts, budgets, and CMPA to track spending for a major healthcare client.

Vertical Account Services Analyst
Ralph Lauren

2013-2020
Kernersville, NC

- Managed and implemented all post-market activities for vertical accounts including order entry, analysis, confirmation, and corresponding reports.
- Fostered in-office and cross-office relationships with teams in NY and NC.
